All through the morning there had been alight shocks but note appreaching in the people were unable to keep their feet. All through the people were unable to keep their feet. All through the people were unable to keep their feet. All through the people were unable to keep their feet. All through the people were unable to keep their feet. The walls of the houses gracked, tottered and birch, with furniture opvered with cream-coloured until it is considered safe for them to go back to moroeco, and the boudoir of the Empress is a their homes. The towns throughout the country. arranged after a new system which prevents quito and Comasagus were completely destroyed. much movement even in rough weather. The Cojutapeque, Santa Tecla, San Pedro and Macabins of the younger members of the im. sahusa are so badly shaken that they are practiperial family are on the other side of a cally raised, while the shook was plainly felt and ing eighty people. The chairs are covered impossible at this writing to form any idea as to with shapreen, and on the backs are golden the number of lives lest. Two people were eagles. This room is lighted with sixty-four killed here. It is feared many people were killed

> ANOTHER POLAR EXPEDITION. NEW YORK, 12th September, Another expedition to the North Pole has roll," writes the Professir, "consists of a num- (Issued at 19.57 a.m.) turned into a boat when necessary. The boat is to be used in the open waters of the Polar Sea, while the sleds are for travel over the ice. The sleds will be drawn by dogs trained for the purpose. The expedition is to consist of as few learnester people as possible—at most six—and the greatest linuidity possible number of dogs. As Eckroll will be Direction of wind ... able to use either the boat or the sleds, as occasion | Force demands, he will be, in a certain sonse, independent of wind and weather."

MISCELLANEOUS ITEMS.

LORDON, 5th September. Prince Albert Victor has been informed that he must marry, and Prince Henry of Battenberg is privately making a tone of the various Protestant courts with a view to discovering a suitconstitution of the Prince of Waler's children points to the fact that intermarriage with a sturdier stock is necessary.

LONDON, 7th September. The Board of Trade returns for the month of August, 1891, as compared with those for the corresponding month last year, show the imports Thermom, ? A.M. ... St Therm. Maximum 8 have increased £1,420,000 and that the exports entirely this year, and by the general searcity have decreased £2,251,000.

The steel works at Bolckow, near Middlesborough, Yorkshire, are idle, owing to the absence of orders. The result is several thousand workmen have been thrown out of employment. LONDON, 11th September. The Prince of Wales is about to visit Sir

Connemara having had fire on brard, all the Consignees will have to sign Average Bond before delive y of the Cargo.

WING KEE & CO., Agenta. Hongkong, 8th October, 1891.

"I find the Beer to be a healthy, pure, and refreshing beverage, which can be most heartily recommended. The chemical analysis being most satisfactory, one is fully entitled to wish t the widest circulation." E. BAELZ, M.D., Prof. Imp. University, Member Central Board of Health.

"I have much pleasure in testifying to the quality and purity of the Beer. I can well recommend it as a Bour admirably suited for this climate." ED. WHEELER, M.D., Surg. Ken Hospital, Member Central Board of Health.

"Having made a thorough trial and examination of the Beer it affords me much pleasure to state that I find it exceedingly palatable, wholesome, and perfectly free fromadulteration." STUART ELDRIDGE, M.D., Surg. Ken Hospital, Member Central Board of Health. "I have no hesitation in reporting it to be an excellent Beer, and eminently well suited for the climate. I prefer it to any imported Beer."
